This appeal is coming on before me for final hearing on this day in the presence of the appellant and Sri S. Srinivas - DE/Technical/CESS for the respondents and having stood over for consideration till this day, this Vidyut Ombudsman passed the following Award:

2. The case of the appellant is that the appellant in order to start a business in the name and style "Sri Durga Malleshwara Swamy Saw Mill and Timber Depot" at Pothur Village of Ellanthukunta Section applied for 15 HP electricity connection under Category-III with 3 HP line and DTR from the respondents. ### **WRITTEN SUBMISSION OF RESPONDENTS**

6. In the written reply filed by respondent No.3, before this Authority, it is, inter-alia, submitted that as per the resolution of the Managing Committee of the CESS dt.13.09.2023, the respondents are not giving sanction under 100% turnkey works to the private individuals.

### **ARGUMENTS**

7. It is submitted by the appellant that the respondents are discriminating against him without giving sanction for execution of work of his Saw Mill and Timber Depot under 100% turkey basis though he made all arrangements to commence the Mill and Timber Depot, the respondents are delaying the matter in releasing the service connection. Therefore it is prayed to direct the respondents to permit to execute the work of laying the line and erecting the DTR under 100% turnkey basis.

8. On the other hand, it is submitted on behalf of the respondents that after resolution dt.13.09.2023, the respondents are not allotting the execution of the works to the private individuals on 100% turnkey basis. Therefore it is prayed to reject the appeal.

## **POINTS**

9. The points that arise for consideration are:-

17. The discretion of allowing the execution of work of the said scheme lies with the respondents since in future course of time they are responsible to maintain the transformer and lines which are to be erected under such scheme. The respondents are apprehensive of the execution of the work and quality of the materials which are to be procured by the private parties. It is not binding upon the respondents by any statutory Rules to allow 100% turnkey work to the prospective consumers and under the resolution passed by the CESS Ltd., the appellant is not entitled to execute the work under 100% turnkey basis. Accordingly, I hold that the appellant is not entitled for execution of laying line and erecting DTR for his proposed Saw Mill and

Timber Depot under 100% turnkey basis and thus the impugned Award is not liable to be set aside. These points are accordingly decided against the appellant and in favour of the respondents.

**Point No.(iii)**

18. In view of the findings on point Nos. (i) and (ii) the appeal is liable to be rejected.

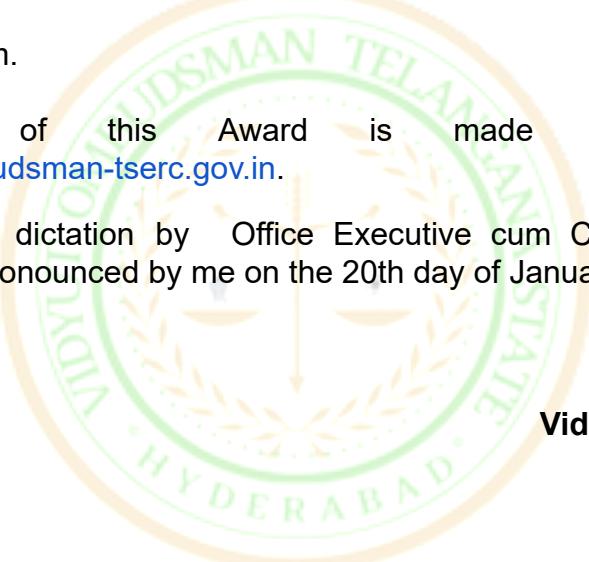

**RESULT**

19. In the result the appeal is rejected confirming the Award passed by the learned Forum.
